Ros Frost

Hello everyone,

I would like to take this opportunity to say thank you to all our students and their families for a fantastic year. Thank you to our 2018 School Captains and Children's Parliament Ministers for their hard work and dedication in ensuring the students at EPPS have a voice. Good luck to our Year 7 students who are transitioning to the next stage of their education. I encourage you to face this change with a growth mindset and the confidence in knowing you are ready.

Thank you to the staff at EPPS for their ongoing support of our students, their families and each other.

Have a safe and enjoyable holiday period. I look forward to new challenges, continuing to celebrate our successes and above all working together to achieve great things for your children.

Thought of the week:

Kindness

“Keep your thoughts positive because your thoughts become your words.
 Keep your words positive because your words become your behaviour.
 Keep your behaviour positive because your behaviour becomes your habits.
 Keep your habits positive because your habits become your values.
 Keep your values positive because your values become your destiny.”

East Para Primary School Instrumental Program

East Para Primary School Instrumental Program would like to recognise **Laura Poynter** and **Sam Liguoro** for standing in for Joel Cook during his absence overseas. Laura has done a great job continuing the learning for our guitar students over the last 2 terms and Sam has been a great asset to the band taking them to even greater heights.
